Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Tuesday 27 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Occasional showers, locally heavy and perhaps thundery.

This Evening and Tonight:
Scattered showers, locally heavy and perhaps thundery, tending to die out this evening. However, a further band of mostly light showers will spread east across the region after midnight. Minimum temperature 14 deg C (57 deg F).

Wednesday:
Bright or sunny spells, and perhaps the odd shower at first, but showers more frequent, and locally heavy and thundery in the afternoon. Breezier and feeling fresher than of late. Maximum temperature 22 deg C (72 deg F).

Outlook for Thursday to Saturday:
Often changeable and breezy through the period, with a mixture of sunshine and showers, some heavy and thundery. Feeling much cooler than of late.
